

## SUPPORT WORKER

Select Support Services is looking for reliable, caring and compassionate Support Workers to join our team, supporting NDIS participants across Cairns, Innisfail, Mareeba and the Tablelands.

This role would suit someone who genuinely cares about people, takes pride in doing things well, and understands that good support is about more than simply completing tasks.

At SSS, our Support Workers play an important role in helping participants feel safe, respected and supported in their own homes and communities. You will work as part of a team that values dignity, consistency, good communication and participant choice.

As part of the role, you may support participants with daily living tasks, personal care, household routines, community access, appointments, capacity building and working towards their individual NDIS goals.

We are looking for someone who is dependable, respectful, willing to learn and able to build positive relationships with participants, families and care teams. Strong communication, attention to detail and the ability to follow care plans and procedures are important in this role.

## ESSENTIAL REQUIREMENTS

- Current First Aid certificate
- Current CPR certificate
- NDIS Worker Screening clearance
- NDIS Worker Orientation Module
- Reliable vehicle and fully comprehensive insurance
- Commitment to participant safety, dignity and quality care
- Willingness to complete relevant checks and onboarding requirements

A Certificate III in Individual Support or previous experience in disability support would be highly regarded.

*If you are someone who wants to do meaningful work, be part of a supportive team and help participants live with dignity, choice and independence, we would love to hear from you.*
